**REQUEST FOR REFUND UNDER 37 CFR §1.26**

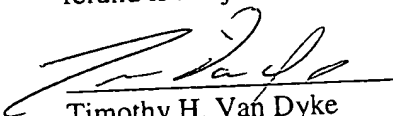

Sir:

On June 21, 2002, Applicants filed a second Continued Prosecution Application (CPA), along with a three-month extension fee of \$460.00, in the above-captioned case. Under recent changes to rule 1.53 (d), a CPA application may only be filed for cases filed before May 29, 2000. On June 28, 2001, a first CPA was filed in this case, which established a new filing date, thereby invoking the May 29, 2000 critical date. Therefore, Applicants' second CPA filed June 21, 2002, was improper. As a result, the Examiner determined that the second filing was an incomplete response and the case was considered abandoned. In view of the erroneous filing of the second CPA, Applicants hereby request a refund of \$460.00 for the three-month extension of time, filed with the second CPA.

Please provide the refund via wire transfer to the following account:

Bank: SunTrust  
Account Name: Van Dyke & Associates, P.A.  
Account Number: 0710629938753  
Bank/Routing Number: 063102152

Should the patent office require any additional information, or believe that a refund is not justified, Applicants request that the Patent Office call the undersigned.
